Our Company

CITIC Limited (SEHK: 00267) is one of China's largest conglomerates and a constituent of the Hang Seng Index. Among our diverse global businesses, we focus primarily on financial services, resources and energy, manufacturing, engineering contracting and real estate. As China's economy matures and is increasingly weighted towards consumption and services, CITIC is building upon its existing consumer platform, expanding into complementary businesses that reflect these trends and opportunities.

Tracing our roots to the beginning of China's opening and reform, we are driven today by the same values on which we were founded: a pioneering spirit, a commitment to innovation and a focus on the long term. We embrace world-class technologies and aim for international best practice. We are guided by a strategy that is consumer-centric, commercially-driven, and far-sighted in the allocation of capital and resources.

Our platform is unique in its diversity and scale, allowing CITIC to capture emerging opportunities in China and around the world. Guiding us as we grow is our fundamental commitment to create long-term value for all of our shareholders.
