The board currently has 13 directors, comprising four executive directors, four non-executive directors and five independent non-executive directors. Non-executive directors (including independent non-executive directors) comprise more than two-thirds of the board, of which independent non-executive directors satisfy the Listing Rules requirement of representing at least one-third of the board. CITIC Limited believes that the board has a balance of skills, experience and diversity of perspectives appropriate to the requirements of CITIC Limited's business.

In relation to the four non-executive directors who are not independent (as considered by The Stock Exchange of Hong Kong Limited (the "Hong Kong Stock Exchange")), Ms Li Yi and Mr Yue Xuekun are both non-executive directors of CITIC Group Corporation (the controlling shareholder of CITIC Limited) whilst Mr Yang Xiaoping is the senior vice chairman of CP Group and Mr Li Zimin is an executive director and president of China CITIC Financial Asset Management Co., Ltd. (a shareholder of CITIC Limited).

Pursuant to the code provision of the CG Code, every director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years. The requirement under this code provision is clearly stipulated in Article 104(A) of CITIC Limited's articles of association. All directors, including the non-executive directors, shall hold office for not more than three years since his/her re-election by shareholders at the general meeting. Most board members of CITIC Limited will voluntarily retire at each annual general meeting. All retiring directors are eligible for re-election at the annual general meeting during which they retire. Separate resolutions are proposed for the election of each director and his/her re-election is subject to a vote of shareholders. CITIC Limited maintains on its website and on the website of Hong Kong Exchanges and Clearing Limited ("HKEX") an updated list of directors identifying their roles and functions and whether they are independent non-executive directors. The bio data of the current directors together with, if any, information about the relationships (including financial, business, family or other material relationships) amongst the directors, are set out on pages 119 to 123 and on the website of CITIC Limited.

Board Independence

The independent non-executive directors of CITIC Limited have the required integrity and experience in bringing to the board independent advice and judgement. The majority of members of all governance related committees are independent non-executive directors.

The independent non-executive directors, namely, Mr Anthony Francis Neoh, Mr Francis Siu Wai Keung, Dr Xu Jinwu, Mr Toshikazu Tagawa and Mr Chen Yuyu, have given written confirmation to CITIC Limited confirming their independence as regards all the factors set out in Rule 3.13 of the Listing Rules. CITIC Limited considers that all independent non-executive directors are independent having regard to their annual independence confirmation.

The board, when it considers necessary, has the right to seek advice from independent professionals at CITIC Limited's expense in order to facilitate proper discharge of their duties and responsibilities. Besides, the chairman shall meet with the independent non-executive directors in a separate meeting without the presence of executive directors and non-executive directors once a year. At every board meeting, the chairman encourages all directors including the independent non-executive directors to express their views in an open and candid manner.

Any director who holds interest as a connected person or has a material interest in the connected transaction will abstain from voting on the board resolutions to approve the connected transaction, i.e. only independent directors shall give their views/opinions and approve the transactions whether they agree to the terms and conditions of the transactions. Independent non-executive directors provide to the board a wide range of skills and a balanced perspective as well as international business experience and, through their contribution to the board meetings and board committee meetings, give their opinions on the proposals, strategies and bring independent judgement on issues of business performance and risk.

At the end of 2025, the board performed a self-evaluation of its performance and reviewed each director's contribution and their time commitment to the board. The performance and time contribution of the independent non-executive directors are assessed as part of the board's performance self-evaluation. Independence of independent non-executive directors is assessed upon appointment and annually to ensure that they remain independent and are able to provide independent, balanced and impartial views to the board.

The board reviewed and considered that the features and mechanisms described above are effective in ensuring that independent views and input are provided to the board.

CITIC Limited attaches importance to providing reasonable returns for investors. The Dividend Policy of CITIC Limited maintains continuity and stability and takes into consideration the long-term interests of CITIC Limited, overall interests of all shareholders and the sustainable development of CITIC Limited. If CITIC Limited has distributable profits in one year and there are no major investment plans or major cash expenditures in the next 12 months, dividends will be distributed in cash. The amount of the cash dividend as a percentage of the net profit attributable to ordinary shareholders for the year of 2024 shall not be less than 27%, shall not be less than 28% for the year of 2025, and shall strive to reach 30% for the year of 2026. The Shareholder Return Plan is an improvement and refinement of the Dividend Policy, and is intended to provide investors with clearer guidance on the level of future dividends to be distributed by CITIC Limited. The implementation of the Shareholder Return Plan is still subject to restrictions under Hong Kong legislation and the Articles of Association.

The payment of dividend is also subject to any restrictions under Hong Kong legislation and the Articles of Association.
